winter project. Runs fine, sat outside so will need some rechroming and aluminum polished up, new paint etc Also needs new handlebar bushings, front master cylinder or

maybe caliper rebuilds. Has carbureted 5.7 that sounds healthy. Electric fan and water pump. Remote oil filter. Titled as self assembled "asve" Ohio and odometer discrepancy but showing 16,307 miles. No trades or financing here. Will trade on Earles fork BMW, Norton
